

I Count My Blessings

My blessings are everywhere around me.

Oh, I can see them everywhere I go.

I am a lucky, lucky person with bounty in my life,
For my blessings are the surest things I know.

I don't need riches, oh no, I don't need fame.
But it's okay, I count my blessings just the same,
oh!

I don't need money, oh no, to find my way.
But it's okay, I count my blessings every day.

My blessings are gifts that make me happy.
And I am grateful more than I can say.
I am a lucky, lucky person with bounty in my life,
For I know that I am wealthy every day.

I don't need riches, oh no, I don't need fame.
But it's okay, I count my blessings just the same,
oh!

I don't need money, oh no, to find my way.
But it's okay, I count my blessings every day.

I don't need riches, oh no, I don't need fame.
But it's okay, I count my blessings just the same,
oh!

I don't need money, oh no, to find my way.
But it's okay, I count my blessings every day.

But it's okay, I count my blessings every day.
Every day.
